The Santa Ana Chamber of Commerce serves as a vital resource and advocate for the business community in Santa Ana and throughout central Orange County.

PROBLEM

The Santa Ana Chamber of Commerce had a machine that no longer met their requirements. **They were looking for an opportunity to reduce their costs and put something in place that was more in line with their needs.**

SOLUTION

Revolution Office provided a solution that gave the Chamber exactly what was needed. We placed a Ricoh 45-page-per-minute color device with booklet capabilities that would allow the Chamber to produce professional-looking marketing materials at a fraction of what they were spending. We helped **rightsized their equipment to match their actual volume requirements.**

RESULT

Our work resulted in **a savings of 64%**. This translated to **\$21,000 in savings** over the term. Additionally, we made an **unrestricted donation to support the Chamber's mission to empower the businesses they serve**. Beyond cost savings, our dedication to excellent customer service ensured a **quick and efficient implementation process and ongoing support.**
